October 2009 Vol. 23, No. 10

Excerpted from the October 2009 Issue

INSIDE Public Accounting has been highlighting the “Most Recommended Consultants” to the accounting profession for close to a decade. Each year, IPA asks survey participants to name up to three consultants they would recommend to their peers. The individuals highlighted below received a statistically significant share of the responses in the IPA 2008-2009 Annual Survey and Analysis of Firms. IPA congratulates all the consultants, whose hard work and dedication is a credit to the profession.
